THE DEMPSTER FAMILY

Dear Friends,

It is with great excitement that we invite you to be a part of our first major fundraiser, the Dempster Foundation Casino and Concert Night on July 21, 2010, at the legendary House of Blues Chicago.

The Ryan and Jenny Dempster Family Foundation has teamed up with The House of Blues to bring you an exclusive event featuring Chicago Cubs players and other friends from the sports and entertainment industry. The night will include casino games, cocktails, delicious House of Blues Southern fare, as well as silent and live auctions. But, the night doesn't end there! The night will close with a unique and intimate performance from a special musical guest!

This year's casino and concert night will benefit The Ryan and Jenny Dempster Family Foundation, created in October 2009 to raise awareness of 22q11.2 deletion (DiGeorge Syndrome/VCFs) and to reach out to families with children with the Syndrome, and the charities that support them.

If you have any questions, please do not hesitate to contact Terri Grunduski at 404-308-9300 or 312-415-9846, or by email at grunduski@dempsterfoundation.org.

Thank you in advance for your consideration and support.

Sincerely,

Ryan Dempster

ABOUT THE RYAN AND JENNY DEMPSTER FOUNDATION

The Ryan and Jenny Dempster Family Foundation is dedicated to raising awareness of 22q11.2 deletion (DiGeorge Syndrome/VCFs) and reaching out to families with children with the disorder and the charities that support them, to help them deal with difficult situations they face each day.

The Dempster Family Foundation empowers organizations to help these children and their families by: providing funding to continue research for early detection of this disorder in children, supporting programs about 22q that provide education, physical therapy and activity to promote long-term well being, creating initiatives that build and instill confidence in these children, developing a 22q network for families to share information and experiences, and helping to navigate healthcare options and treatment.

Since the inception of our Foundation, we have been amazed at the outpouring of support we have received from the community. We are deeply grateful for this assistance. With your help we can truly make a difference in the lives of these children and their families. For more information on the Foundation and the programs we support, please visit our website at www.dempsterfamilyfoundation.org.
